

NEW ENGLAND HUNTS CHAMPIONSHIP HUNTER TRIALS

October 29, 2017

9:30 a.m.

*Hosted by the Old North Bridge Hounds
Great Brook Farm State Park
1018 Lowell Street, Carlisle, Massachusetts*

The course consists of natural obstacles typically found in hunting country. The divisions have been established to allow riders of various levels of experience (and bravery!) to participate, whether they are actually hunting or not. With the exception of Teams and Pairs, the course is ridden individually. It is not a timed event and is judged on the horse's performance only. The majority of fences in each Division are below the maximum height.
